

VIRGINIA CONSORTIUM OF QUILTERS

JUNE 2009 Volume 25 Issue 3

A MESSAGE FROM THE PRESIDENT

Dear VCQ Members and Guests,

What can I say, but another FABULOUS meeting in May in Annandale. I can't thank Susan Price (along with husband and son), Joan McGowan and the Springfield Quilters Unlimited members enough for hosting us and arranging for such an enjoyable day.

We have had record breaking numbers of attendees for the first two meetings of 2009. Hope to see you all in Monterey for the unveiling of the Quilts Ahoy, Celebration 2010 details and registration opening day. The Ladies of the Lake committee meets, it seems, almost weekly and I'm sure will never cease to amaze us with a great long weekend of special events.

In Monterey, there have been many special events planned for you to enjoy a longer stay than normal. We will also have the Highland Center stay open after the meeting, late into the night for those who would like to sit and sew, relax and enjoy each others quilting company. Some of the special events, museum, the farmers market (Friday 3-6pm), walking quilt tour, square dancing, etc. will be a real treat, I'm sure we will enjoy.

The VCQ board meeting will be at 5:00pm Friday night, August 7 at the Mountain Hideaway Restaurant and Tavern. Menu or salad bar available.

VCQ has two board positions available for 2010, that we must announce names for at the August meeting. Please consider volunteering your talents if you can help with Treasurer or VP positions. Contact Debi Harding for details (757) 615-7758.

See you in Monterey!!! Debi Harding

Board Meeting Friday August 7th at 5:00pm in the Mountain Hideaway Restaurant & Tavern is in the block at the corner of Route 220 and Route 250. As you travel west on 250 into Monterey, take a right onto 220. The restaurant will be on your left between Main Street (Rt 250) and Mill Alley.

VCQ Quarterly Meeting in Annandale, VA - May 9, 2009

The meeting was called to order at 1:03 PM by Debi Harding, President. Debi thanked the host group, Springfield Quilters Unlimited, for all their hard work.

Marcia Wright represented the Celebration 2010 committee and updated us on plans for next year's retreat. A flyer on the tables at lunch time provided some basic information about Celebration and registration. Marcia provided a brief explanation of Celebration for new members and first time attendees. Eight teachers are under contract; the one teacher who has been revealed is Bonnie Hunter, aka the Scrap Queen. The brochure will be available in August, and a \$50 deposit at that time will secure your spot. If not able to attend the August meeting, the brochure will be posted on the website at that time and you will be able to print out the registration page to send in a deposit. The wearable art contest will be making a chatelaine that the committee would like us to wear all weekend. Block Lotto kits will be available beginning in August at a cost of \$3.00 per kit which will include background fabric for 2 blocks/entries (use your own blue fabric for the blocks). For the silent auction, consider contributing kits, UFO's, blocks, fat quarters, etc. Please do not bring garage sale type items. Donations will be accepted beginning in August. Patterns and books will also be accepted. Two vendors are under contract, and they are working on the third. The other 6 committee members will be at the August meeting.

An overview of the August meeting was provided by Isobel Meekins, Programs, and Phyllis Whetzel, who is organizing things in Monterey. There will be 4 classes plus Come Quilt with Me to choose from. Monterey is located in the mountains of Virginia, 60 miles west of Staunton; it takes at least 1 ½ hours to cross 3 ½ mountains. Shops in town will have quilts on display for a walking quilt tour. Friday night will feature square dancing, a typical Monterey activity. Classes will be held in the Highland Center, which also houses Artists in Residence, who will be open during the weekend. Phyllis is also providing information about activities available for spouses should they choose to come. Some things available include a private 9-hole golf course (cost for 18 holes is \$30), trout fishing (license required), the historical society in McDowell, a small museum, Civil War battlegrounds, and the Greenbank Observatory in West Virginia, which houses the largest radio telescope in the world. The August classes include Big Blossom Quilt with Phyllis Whetzel; Feel the Felt with Lisa Jacenich; Star Tricks with Barbara Cline; and Sunbonnet Sue Retires with Clarissa Elliott. The vendor will be Patchwork Plus from Dayton.

Additional announcements included the location of the November '09 meeting in Harrisonburg. We have added 2 new areas; Marty Moon will be the area rep for Fredericksburg and the rep for the Roanoke area will be announced in the next newsletter. Michael Walsh, Print Publicity, brought new brochures and bookmarks for area reps to take back to their local guilds and shops. Rules and procedures for the Vi Graves Scholarship Fund (for assistance with Celebration costs) will be published in the newsletter. Members may choose to contribute to this fund in honor of other members who have passed away; the board is creating an acknowledgement letter so contributors have something for income tax purposes. This year we need to nominate a new Vice President, Membership Chair, and Treasurer; talk to a current board member if you are interested in any of these positions. These officers will be elected in November and terms will begin in January. Loretta Spittle represented the VA Quilt Museum and reported that a new exhibit will open in June, Quilt Artists of Southwest Virginia. The exhibit will still be there when we meet in Harrisonburg in November.

Kitty Bull is taking over publication of the newsletter which will be changing to an electronic format in January of 2010. Hard copies will be mailed until then unless a member opts out to receive only e-format. Mary Grogan, web mistress, will prepare a form for the website for opting out; further information on how to request this will be in the newsletter. June 9 is the deadline for information to be included in the next edition so it can be published by the end of June. Our Web mistress is working on a complete redesign of the web site which the board previewed on Friday night. Watch for it to debut soon.

Elaine Myers presented the treasurer's report. The only change is that the Vi Graves fund, listed under income, has a carryover balance, so the balance is actually about \$275. We are still receiving book royalties every 6 months. It was moved and seconded to file the report for audit.

A small group is needed to continue the work of the previous documentation committee and begin the task of a writing a second book to follow Quilts of Virginia.

The minutes of the March meeting appeared in the recent newsletter. A motion was made and seconded to accept the minutes as written.

It was announced that Maren Lindberg is ill and in the hospital; get well cards are circulating for her; please sign one.

The meeting was adjourned with a reminder to return at 3:30 for Show and Tell.

Respectfully submitted,

Susan Price, Secretary

Scissors, seam ripper, pins and/or awl

Phyllis Whetzel: I first began sewing at age 12 with my mother's direction

By age 16, I was making most of my clothing and very often a matching outfit for my best friend. Later I was delighted to have a daughter to sew for; but in 1994 I became an empty nester and had a strong desire to pursue quilt-making. I quickly discovered the differences of garment sewing and the reality that I was completely lost. It took my stubborn self ten years to finally enroll in a quilt class. I was addicted! I took every class I could fit into my schedule, bought hundreds of yards of fabric, and made a quilt for every baby I knew, every family member and every close friend. In 2006 I discovered the joy of sharing my knowledge and experiences with others. I started teaching here in Monterey and continue with classes here. I've taught classes at G-Street Fabrics in No. Va and in June will begin classes for Patchwork Plus in Dayton, VA. This is especially exciting for me because that is where I've learned most of what I know! Contact Phyllis at byphyllisann@yahoo.com or (540)468-2275.

Class B: Feel the Felt with Lisa Jacenich

Skill Level: All

Hand class

Participants will learn both needle and wet felting techniques. Painting with wool and silk is a unique way to create dimension and still maintain the translucency achieved with water colors. And it is so easy! If you can lay wool down on the table – you can do this.

Required Kit Fee: \$45.00 –

Includes all necessary equipment and an incredible assortment of natural and dyed silks and wools.

Supply list: a sweatshirt to decorate

Lisa Jacenich: I have been a full-time fiber artist for 12 years. I love textures and fibers. I create wearable and frameable pieces of art. Contact Lisa at artfulgifts@gmail.com or (540)468-3699.

The Highland County Museum & Heritage Center and the Sugar Tree Country Store in McDowell, VA (located behind Stonewall's Grocery off of Route 250 on the way to Monterey) will also be displaying Highland Co quilts during our VCQ weekend. If you can, come to Highland Co early on Friday, and stop in at these two places in McDowell

We now have a VCQ group on Facebook!

You can easily join at www.facebook.com

Create an account, if you don't already have one. Then search for VCQ group and join our online fun! We have a Q & A section where you can get help with your quilting questions from fellow members. If you have questions, contact our webmistress, Mary Grogan, at webmistress@vcq.org

Class C: Star Tricks with Barbara Cline

We will be piecing the Star Tricks pattern. The students will not get the project completed but will get to a place where they will comprehend what is happening and will be able to finish the wall hanging at home. This project will teach the student how to make a “Y” seam with ease and strip piecing and cutting diamonds.

Optional Kit Fee: \$55.50 (includes pattern)

Dark purple	¼ yard
Light blue	¼ yard
Med blue	¼ yard
Dark blue	¼ yard
Black	¾ yard
Border	1 yard
Background	1 ¼ yards

From each of the first six Light/Medium/Dark fabrics cut 3) 1 ½” x 42” strips

From the black fabric cut 16) 5 1/8” x 5 1/8” squares, cut once diagonal.

From the background fabric cut 12) 5 1/8 x 5 1/8” squares, cut once diagonal

Barbara Cline: As a young girl my parents owned a fabric store (The Clothes Line now Patchwork Plus) where I worked until I got married and had children. I taught advanced Bernina classes and was a sales clerk. After my first child was born I quit working at the fabric store and stayed home with our 5 children. During these years I pieced and sold quilt tops. This gave me a lot of piecing experience. Once my last child was in school I started working again at the same fabric store, this time as clerk and quilt teacher.

At Patchwork Plus I teach a large variety of classes including the following: Saturday Sampler, block of the month, Stack n Whack, classes on color, paper piecing, machine applique, hand and machine quilting, strip piecing variation of star patterns, and more.

I enjoy the challenge of making new designs and have marketed several quilt patterns. C and T Publishing has accepted a book proposal from me and the book will come out in the spring of 2010. Contact Barbara at tbcline7@gmail.com or (540)828-6815.

Class D: Sunbonnet Sue Retires with Clarissa Elliott

Skill Level: Beginner/Intermediate

Hand class

We will be doing an "I love quilting" block. Class will include various applique methods and a narrow band which can also be used for making stems. The fabrics will be prepared so that all the students need to do is cut out the pieces and start appliqueing.

Supply List:

Hand sewing needles for applique (I like John James sharps #11)

Silk thread in a neutral color (I use YLI #100 for darks and #212 for lights, I will provide the white for the flannel board. It doesn't take much thread so students may want to arrange to share a spool.)

Fine point pigma, or similar, permanent ink pen- black

Small, sharp scissors

Task light and cord

Sequin pins and regular sewing pins

Thimble or Thimblets

Hands-free magnifier, if you need one

Iron, optional (I will have some, but if you have a Clover iron and small pad, it may come in handy)

*Kit will include all fabrics for the basic block. It will not include the mini quilt.

Clarissa Elliott: Clarissa made her first quilt in 1988. She joined the Shenandoah Valley Quilters guild (also a past president) and learned about quilting and applique from both teachers and members. Her quilt "Eye-dyllic Impressions" won first place in a Benartex competition and toured the country for a year. It has since won several blue ribbons in other shows. She specializes in applique, especially miniatures. Clarissa's miniatures have won Best Hand Quilting at Mountain Comforts Quilt Show and Best in Show at Rockbridge Regional Show. She still quilts and shows others how to applique.

*Sunbonnet Sue will have different color outfits. If you have a color preference, please contact Clarissa at apliquer@htcnet.org
