Celebration! 2026

Virginia Consortium of Quilters

April 16 – April 19, 2026

W.E. Skelton 4-H Educational Conference Center at Smith Mountain Lake [SML]

Celebration! 2026 Friends,

Is there anything more relaxing and joyful than a group of quilters getting together to share conversation and make beautiful quilts? The **Virginia Consortium of Quilters** creates a wonderful gathering place for quilters every two years at Celebration!

Welcome to our Celebration! 2026 brochure. Here you will find all the details about the four-day event that includes classes, lectures, fellowship, prizes, meals, lodging and so much more at Virginia's beautiful Smith Mountain Lake. This all-inclusive experience is so much fun!

Our theme this year is "Americana" as we celebrate 250 years since our nation signed the Declaration of Independence. We also celebrate roughly 50 years since the modern revival of quilting arts in America. The bicentennial in 1976 ushered in a whole new era of quilting that continues to this day.

We are looking forward to seeing you at the W.E. Skelton 4-H Center at Smith Mountain Lake **Thursday, April 16 through Sunday, April 19, 2026**. We offer a variety of exciting classes with nationally-known teachers and the opportunity to quilt on your own with old and new friends.

We hope you will sign up early and claim your spot at Celebration! 2026. If you are not currently a member of VCQ, it is time to join so you can register early and get your first choice of classes.

Registration for members opens online August 1, 2025. Registration for non-members opens September 1, 2025. Slots are limited, so don't delay.

We can't wait to see you at Celebration! 2026.

~ *Kelly Zuber*, VCQ Celebration! 2026 Chairman

Before we CELEBRATE, we CRUISE on beautiful Smith Mountain Lake!

SIGHTSEEING LUNCH CRUISE ON *THE VIRGINIA DARE*

Virginia Dare

Virginia Consortium of Quilters is adding an exciting new PRE-event to this year's CELEBRATION! 2026. This event is **optional** to our retreat participants.

Celebration! 2026 participants are welcome to sign up for a two-hour lunch and sightseeing cruise on beautiful Smith Mountain Lake which will happen on Thursday, April 16, 2026 before the start of the retreat. Our private chartered vessel is the *Virginia Dare*. A buffet lunch will be served while the ship's staff gives you a narrated tour of one of Virginia's most beautiful lakes. With more than 500 miles of shoreline, Smith Mountain Lake is best seen from the water!

We have 42 seats available on the *Virginia Dare* so you will need to sign up early (Registration for VCQ members starts August 1, 2025 and September 1, 2025 for non-members). The cost for the lunch cruise is \$65.00 per person and you must pay for your ticket in full at the time of registration for Celebration! 2026. We must have at least 30 people sign up for the trip to book the private cruise. If VCQ does not reach this minimum, money will be refunded. Otherwise, the fee for the cruise is non-refundable but may be transferred to another Celebration! 2026 participant with at least a 24 hour notice to VCQ.

The *Virginia Dare* will sail even if the weather isn't perfect. The lower deck is covered and comfortable in case of light rain. Layered clothing is recommended for the trip as the breeze across the lake can be cool this time of year. If the captain decides the weather is too severe to sail, participants will be issued a voucher to take a sightseeing trip on the *Virginia Dare* in the future (it will not include lunch). There will not be a cash refund.

The buffet menu for the trip will include pulled-pork BBQ sliders, chicken salad sliders, sweet-and-sour meatballs, cheese and crackers, potato salad, fresh fruit, cookies, sweet tea and water. There are no accommodations for special diets.

Participants must follow the schedule below. All ticket holders must be onboard by 11:30 a.m. on Thursday, April 16, 2026 and the *Virginia Dare* will sail out of the marina at Noon sharp! The captain will not wait even if you have pre-purchased your ticket.

Schedule:

11:00 -11:30am – Check in with VCQ representatives at marina (3619 Airport Rd., Moneta, VA 24121) to receive your Celebration! 2026 welcome bag, nametag, and room key. Drop off your quilt for ***Stars and Stripes Forever*** quilt challenge. Then you will proceed to the dock.

11:30am – Board the ***Virginia Dare*** for the cruise

12:00pm sharp – ***Virginia Dare*** departs marina on Smith Mountain Lake

2:00pm – ***Virginia Dare*** returns to marina

NOTE: We recommend that you go directly to the W.E. Skelton 4-H Center as soon as you disembark from the *Virginia Dare*. The driving time between the marina and the 4-H center is between 50 minutes to one hour depending on the route you take. You will NOT be able to check in at the 4-H Center prior to the cruise. Cruise ticket holders will check in with VCQ at the marina. If you wish to stay in a hotel on Wednesday night so you will have time to get to the *Virginia Dare* on Thursday morning, we recommend that you stay in Lynchburg or Bedford if you are coming from the east and in Rocky Mount if you are coming from the north or west. **Make sure you leave in plenty of time to get to the marina by 11:30 a.m.**

What if I am concerned about COVID-19 or other airborne illnesses?

CDC recommends that all people use core prevention strategies to protect themselves and others from COVID-19 and other respiratory illnesses:

- Stay up to date with COVID-19 vaccines as well as other vaccines recommended by your PCP.
 - Although vaccinated people sometimes get infected with the virus that causes COVID-19, staying up to date on COVID-19 vaccines significantly lowers the risk of getting very sick, being hospitalized, or dying from COVID-19.
- Practice good hand hygiene (practices that improve cleanliness)
- Wear masks (optional) and practice social distancing.
- These precautions apply to COVID-19, flu and other respiratory illnesses.
- If you feel ill, stay home.

VCQ will not be supplying masks or COVID-19 testing kits. Feel free to pack these for yourself.

Workshop Format:

Eight six-hour workshops per day will be offered on Friday and Saturday along with “Come Quilt with Me”. All your options are summarized beginning on page 14.

Silent Auction:

Kits will be available to purchase in the months prior to Celebration! The kit will provide 1 focus fabric FQ & minimal instructions to make 2 Dresden Plates. In each kit there will be a list of website links

that have free tutorials on making Dresden Plates. There will be a variety of focus fabrics with stars or stripes (keeping with the theme) in various colors. You will use coordinating/contrasting fabric from your stash in order to have a great mixture of Dresden Plates. Kits will be sold for \$5.00 at the in-person meetings through the last in-person meeting before Celebration! Completed blocks will be collected at Celebration! 2026. Each block turned in gives the maker an entry into the drawing for a block bundle to create a quilt. Be sure to keep your ticket(s) handy. Questions? Contact Karan Fisher at BlockLotto@vcq.org

Stitching Together History: 250 Quilts Commemorating the Commonwealth of Virginia. Several of the quilts created by VCQ members will be displayed in the hallway outside of the activity center meeting room.

Throughout 2024, quilters from across the United States of America worked to create pieces for this project. Over 275 quilts were submitted to the call for entries. The quilts were evaluated and narrowed down to 257. These quilts are all 20" by 20" and depict a person, place, event, or idea from Virginia's history. Some are serious. Some are silly. Some are abstract. Some represent a well-known person or place, others show more niche subjects from the past. All come together to create a unique and powerful project commemorating the history of our Commonwealth. The Virginia Quilt Museum is proud to tell this story through an exhibition on display from July 4 through December 22, 2026, and a book to be published by Schiffer Publishing. www.VAquiltsmuseum.org

Stars and Stripes Forever Quilt Challenge:

Okay, Folks, Who doesn't love a good contest to compete for winning fame, ribbons, and recognition? The Celebration 2026 Team challenges you to interpret this year's theme, "Americana – Stars and Stripes Forever."

In 1976, the bicentennial helped to revive the art of quilting. Hopefully we will see interest grow celebrating the 250th year anniversary of the signing of the Declaration of Independence. Think beyond Red, White, and Blue. Think Purple Mountains **Striped** Majesty or **Stars** in My Eyes Over the Mississippi! Use your quilter's creative juices to create what Celebration! 2026's theme comes to mind for you!

Quilt Challenge Guidelines:

- Your quilt must have **stars** or **stripes** or **both**. The **stars** or **stripes** or **both** can be in the pattern, in the fabric, or both and can be any color. It can be **all stars** or **all stripes** or a **combination**.
- Quilts may be any size. **Please use the Quilt Entry form and submit by April 2, 2026 for quilts up to 70" X 70". Please submit Quilt Entry form by March 1, 2026 if your quilt will be over 70" X 70".**
- Quilt entry forms can be found at <https://vcq.org/index.php/celebration/> after August 1, 2025.
- Your quilt must be made with a top and bottom layer, and batting in between with stitching holding it together.
- Your quilt may be pieced or appliqued, modern or traditional. Any technique is acceptable. Other than that it is all up to you and your imagination!
- Your quilt must have a label sewn on the back bottom left hand corner with at least your name, the quilt's name, and the date completed. (This will be covered up for anonymity during competition)
- Your quilt must have a sleeve sewn on the back with a 4" wide hanging sleeve to slide it onto the display frame. For heavy quilts and quilts wider than 80" you may consider making a split sleeve if it needs additional frame support.
- Each Celebration participant can enter ONE quilt which must have been completed in 2025 or 2026.

This will be a **"Viewer's Choice"** competition. There will be award ribbons for the **Best in Show** -First, Second and Third place AND **Best Interpretation of Theme** – First, Second and Third place quilts, as determined by the Celebration! 2026 attendees. We are asking each Celebration attendee entering a challenge quilt to complete a **Quilt Entry form** with basic information. This can be found online at <https://vcq.org/index.php/celebration/>

Deadline for this entry form will be two weeks before Celebration 2026. Turn in your completed quilt at registration on Thursday by 5:00 pm, April 16, 2026, so we will have time to set up the display. Your creation must be registered and numbered so the Celebration attendees will have a chance to vote for their favorite challenge interpretation.

All quilts need to be picked up at 9:00 am on Sunday, the final day of Celebration! 2026.

Friday Evening Program – "Tricks of the Trade" presented by Lee Chappell Monroe

Why didn't I think of that? This lecture is packed full of tips, tricks and tools to make your stitching faster, easier and more organized. Get those perfect points with ease and efficiency! We will focus on piecing tips. Even the most experienced piecers will be reminded of a long forgotten trick to make your piecing faster and more efficient. From marking sashing to battling the pesky runaway edges of HSTs, attendees will leave with an arsenal of piecing skills and the know-how to create more accurate piecing in their quilts.

Saturday Evening Mini-Lecture Program presented by Christina Bradley, Group Leader, Roanoke QOV Stitchers.

The Quilts of Valor Foundation is a national organization with groups in all 50 states. The mission of the QOVF is to cover service members and veterans touched by war with comforting and healing Quilts of Valor. A Quilt of Valor is an individual civilian award for a person's service and sacrifice for our country. This award has been vetted with the Defense Department. It is not something that should be a "surprise" or a birthday gift to the recipient. It should be awarded with solemnness and dignity.

Saturday Evening Program – "Excuse Me, Is That a Quilt You're Wearing!?!" **- presented by Lyric Kinard**

This wonderful wearable art lecture emphasizes the basic elements and principles of good design as it relates to the quilting techniques we can wear. The lecture consists of a short spoken introduction of the ideas that integrate the quilting world with the wearable art world. Models then walk on stage then through the audience as Lyric describes each piece and the techniques used to create it as well as the basic elements of design. Celebration! 2026 chairperson, Kelly Zuber, will be looking for volunteers to model Lyric's quilt fashions. We need several people who wear size 8 to size 12 to model Lyric's creations. Please contact Kelly in advance at celebration@vcq.org if you would like to participate. You are also invited to wear your OWN wearable art creations and join the fashion show. Be sure to bring those wearable items on Saturday night.

Workshop #203

Modern Free-Wheeling Circles – Gyleen Fitzgerald

Modern and bold stitched with speed and ease with an extra curve or two. Is that possible? This is my 2017 Iron Quilter Challenge design. Learn the raw edge technique to achieve perfect "stress-free" curves without piecing. Experiment with different layouts to produce a unique design. Game on!

Gyleen's thoughts: Using fluid curves is the game changer. Go large scale solids, semi-solids, and hand-dyed works best. There are lots of collections to choose from. Another option is go on the edge and use a small scale to mid-scale prints from your stash. Bring extra fabric for "oops". This design can

easily be made larger by making more blocks. There are quite a few design options so don't be surprised if you make more than one!

Fabric Requirements:

- (20) 12½" x 12½" squares, assorted solids or semi-solids;
- (20) 10" x 10" squares, assorted solids or semi-solids;
- (2) 1/4 yard sashing fabrics, assorted solids or semi-solids
- Plus extra fabric for optional border
- Pattern (\$12)

General Supplies:

- Sewing machine with manual
- ¼" foot without edge guide (if possible)
- paper and fabric
- scissors
- neutral thread (gray, tan) or one that blends in with most of your (16) fabrics
- seam ripper
- thread snips
- rotary cutter, ruler and mat
- extension cord
- straight pins
- batting to use as a design wall

Workshop #204

Bead It Like You Mean It – Lyric Kinard

Best of all? You'll discover how to do it all without knots or messy backs—making it perfect for finishing work *after* quilting. No experience needed, just a love for texture, shimmer, and trying something new.

Workshop #206

French Boutis Quilting and English Paper Piecing – Audra Rasnake

Note to students: This workshop is two classes that Audra has combined for us. The student will be learning two different techniques in this all day workshop. See supply lists for both portions of this workshop.

Holiday Ornament or Pincushion Boutis (French Quilting)

Boutis is a French style of quilting done mostly as “white on white” or “wholecloth”. The design is traced onto batiste fabric and stitched without a batting between the fabrics. Yarn is then pulled through areas that students wish to stuff. Very much like trapunto but it is a slightly different technique. Students will learn about the supplies needed, how to transfer a pattern to the fabric, and how to stuff the pattern all while making a holiday ornament or a pincushion. There will have a variety of patterns to choose from.

Supply list on next page...

Supply List for French Boutis Quilting:

- Stylus blue erasable marker
- Yarn - cotton or acrylic
- #22 tapestry needles
- Batting or toy stuffing
- White sewing thread
- White hand quilting thread
- Basting thread
- 5" embroidery hoop
- Yarn threader
- One or two toothpicks
- ***Instructor will provide batiste fabric, ribbon, and a variety of patterns that the students can choose from.

English Paper Piecing

Students will learn the basic principles of EPP (English Paper Piecing) It is a method of folding fabric around paper shapes and then joining them with a "whipstitch". Students will have their choice of making a holiday ornament, a pin cushion, or a bookmark. They will also learn about other ways to use EPP.

Supply List for EPP:

- Mechanical pencil
- Basting thread
- Fabric glue
- Coordinating scraps of fabrics (about 10" X 10")
- ***Instructor will provide freezer paper, mylar hexie template, cardboard, and ribbon. Also a pattern page with lots of EPP shapes.

Workshops #107 & #207 (A two day workshop)

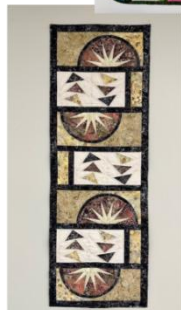

PLEASE NOTE: Student must sign up for both days on registration form

Watermelon Placemats/Broken Starfish Table Runner - Tracy Thompson

Introduction to Quiltworx! Learn the basic Quiltworx paper piecing process to include the use of template layout sheets and t-templates as well as organization and stacking. Will also introduce vein application, curved piecing and the Quiltworx method of applique (if doing the Watermelon Placemats).
