

VIRGINIA CONSORTIUM OF QUILTERS

September 2026 Volume 43 Issue 3 (Revised Edition)

A MESSAGE FROM THE PRESIDENT

This newsletter includes all the information you need to enroll and enjoy our next In-Person meeting on October 17. I am so excited that we are returning to Virginia Beach. I'm sure VCQ had many meetings there before I was a member; it's been a few decades since I attended a meeting there. It is a beautiful area well worth visiting even if we didn't have the excuse of a quilting adventure for our travels. Thank you to all the quilters local to the area who have made the arrangements. VCQ tries to rotate throughout the state so all our members are the locals at some time in the two to three year rotation. If you want to be one of these rarely used volunteers, gather some friends together, contact your Area Rep and ask her to talk to Jan Farrow about scheduling your area in March, June or October. It can be fun.

While we are on the topic of In-Person meetings, thanks go out to Paula Golden and The Quilting Party who sponsored our June meeting in Blacksburg. It was a perfect summer day. The opening coffee hour was well attended, giving us time to chat and catch up with friends while the teachers set up their classrooms. And, the classes were well received. We hope to return to this venue in our rotation of meeting spots.

The October meeting is our Annual Meeting where some amount of business is mandated by our Bylaws and Policies and Procedures. We will hold our annual election where we will confirm the Nominating Committee's selections for President, Secretary, and Historian. Thanks to all who are serving in those capacities now and those who have volunteered to assume those positions for the next two years.

The meeting won't be all business. We will also have classes, an in-person Come Quilt With Me, lunch, a lottery block and an opportunity to hug our friends from around the state.

Before we meet for our In-Person Meeting in October, we will be gathering at the Virginia Quilt Museum on the weekend of September 18 and 19. VQM is honoring our combined histories with an Open House. This is an opportunity to celebrate and grow the memberships of both organizations. The Stitching Together History exhibit will be the showcase of the weekend; other activities such as demos, door prizes, and a hybrid version of Come Quilt With Me promise to make this a special time.

Also coming very soon are our Virtual Workshops on September 5, 2026. Scroll through this newsletter to read a description of the workshops and watch Facebook and your email for more information. And, save New Year's Eve Day for a Virtual sewing adventure.

We continue on with our VCQ Mystery Quilt. Clues are posted in the Members Only portion of our website mid-month. Meghan Shafer then kindly joins us on the third Saturday Come Quilt With Me to explain and encourage us in our sewing. That morning is full of tips and tricks. As with every CQWM, you never know where the conversation will go. I love the opportunity to get to know everyone better as well as the time to quietly sew.

The Silver Lake summer quilt-along continues as part of all of the CQWM sessions each month. We began as a way to individually support the Virginia Quilt Museum and the Museum noticed. Alicia Thomas, VQM director, is contemplating a future showing of Silver Lake quilts. It is a simple pattern, similar to a Churn Dash, but like all quilt patterns, change the fabrics and it is a whole new world.

It will be a busy fall, leading into hopefully a quiet winter.

Stay safe and keep quilting – K:)

Kathy Gray

Mark Your Calendar for a Great Weekend at the Virginia Quilt Museum This Fall!

The Virginia Consortium of Quilters' partnership with the Virginia Quilt Museum has created a wonderful opportunity to spend a fun weekend in the Shenandoah Valley Friday, September 18 and Saturday, September 19. VCQ's donation to the quilt museum allowed us to sponsor those two admission-free days at the museum and to underwrite the outstanding Stitching Together History Exhibit that is currently on display. We are expanding this opportunity into a VCQ Member Appreciation Weekend with a chance to win great prizes.

The Virginia Quilt Museum is located at 2328 Silver Lake Road, Dayton VA.

Here's the rundown of events:

Friday, September 18

10:00am-4:00pm

The Virginia Quilt Museum will be free to everyone. VCQ members will provide quilt demonstrations during the day for members and museum guests. (Please notify Kelly Zuber at kzuber@cox.net or 540-309-0317 if you are willing to present a quilting technique during the day on Friday)

4:00pm-6:00pm

You are invited to attend the VCQ Member Appreciation Reception and Mini-Quilt Show on the Mill Level of the Virginia Quilt Museum (lower level of the Silver Lake Mill below the museum).

VCQ will roll out the red carpet for members to mingle and relax at this historic mill. We hope many of our new members will attend so we can meet you in person. VCQ will provide refreshments, food, and a sampling of some of the quilts we have made through the years by attending in-person, virtual, and Celebration! classes. (Please notify Kelly Zuber if you would like to share one of your quilts)

You must pre-register for the reception, and you will receive an e-mail shortly to register for this event. [Register here.](#)

Saturday, September 19

10:00am-4:00pm

The Virginia Quilt Museum will be free to everyone. VCQ members who register ahead of time will have the opportunity to sew all day at the beautiful museum on Silver Lake in a very special in-person Come Quilt With Me. We have the museum's classroom and the Mill Level room below the museum to spend the day doing what we love best – QUILTING! We have 30 spaces available. This would be a great time to work on the Silver Lake pattern right on the shores of Silver Lake.

You must pre-register for Come Quilt with Me at the museum, and you will receive an e-mail shortly to register for this event.

Prizes

VCQ members and VQM members will have the opportunity to win great prizes throughout the weekend. We will provide prize tickets to VCQ members who attend the event, and we encourage others to join. Here's how you can earn chances to win the prizes.

THE VCQ BOARD NEEDS YOU!

BE AN AREA REP

The VCQ Board is looking for members to be the Area Reps for Richmond and the Shenandoah Valley. Area Reps stay connected via email or Zoom and visit their local quilt shops and guilds. The term is usually two years but there is no limit.

Duties include:

- Send emails to members reminding them of upcoming events like Come Quilt with Me, Zoom sew-alongs, registration deadlines for Zoom and in-person workshops, etc. You just create a contact group, then write and send a short note.
- Visit or ask another member to visit local guilds to promote VCQ. VCQ Area Reps are vital to letting people know about VCQ and to building our membership.
- Attend VCQ board meetings every other month on Zoom. (About one hour.)
- Attend VCQ annual board retreat the second Saturday in January.

Benefits to being on the VCQ Board:

- Be part of the decision making process that drives VCQ.
- Provide feedback from your area members to the board on issues or concerns that are important to them. Keep that line of communication open.
- Make life-long quilting friends.

If you would like to learn more about being an Area Rep, or to volunteer in your area, contact Kathy Gray at president@vcq.org Some of you have served on the VCQ Board in a variety of positions and know the pleasure of having quilting friends you can call on.

Thank You Quilt for our VCQ President

The current president of VCQ, Kathy Gray, will be completing her term of office in 2026. As a thank you to each president for their dedication to VCQ, the guild presents the outgoing president with a quilt created by the members. An email has recently been sent out to all members, except Kathy, with the chosen block and colorway. The blocks are simple and quick to make. You will use your stash, following the fabric and color guidelines included in the block instructions. You will then piece your block, add your signature where it says to in the instructions. Use a fabric marker for your signature and not a Sharpie®. A longarm quilter has generously offered to quilt the final quilt! If you prefer to mail your block to me, email me for my address or find it on the member roster in the Members Only section of VCQ.org. A single block can be mailed in a regular size envelope. You may also give it to me at any of our in-person meetings throughout the year or at Celebration 2026. **The deadline to get your block to me will be the October 2026 in-person meeting.** If you have any questions, please email me at vicepresident@vcq.org. Remember: this is a secret! Don't be left out! Get your block to me on or before October 17, 2026. Thanks for your help with honoring our outgoing VCQ President and showing her how much we appreciate all of her hard work!

Karilyn Pittman, VCQ Vice President

Workshop A: Karan Fisher– rmcmwoman@gmail.com

Sashiko Stitching by Machine – machine class

Students will learn the technique of Sashiko stitching using their domestic sewing machine with a walking foot and without marking on your quilt. This technique can be easily adapted for “Quilt-As-You-Go” from small quilting projects to lap/bed sized quilts.

Skill Level: All levels

Kit Fee: None

Supply List: Prepare 5 to 8 “sandwiched” (layered top fabric, batting, backing fabric) 14” squares either of muslin or fabric in solid black or indigo/navy colors. Contrasting thread that is 30 or 50 weight. Universal size sewing machine needles. Machine in good working order with power cord and foot pedal. A few #2 lead pencils (mechanical or sharpened). 12 ½” square ruler. **Parchment paper.** Blue painters tape, glue stick, sewing scissors, straight pins, rotary cutter, & small cutting mat. Don’t forget that Walking Foot!

Karan is originally from Nebraska and is a U.S. Navy retiree. It was the Navy that brought her to her permanent residence in Virginia Beach, VA. She has been sewing since she was 8 years old making her first 4-H project of an apron, sewing it on a treadle sewing machine. She predominantly made clothing for herself along with cross-stitching & crochet until 1998 when she was bitten by the “quilting bee”. She joined the Tidewater Quilters’ Guild (TQG) that year and subsequently became a member of VCQ. Karan has held several positions in both

TQG & VCQ, currently serving as the VCQ Secretary. She has taught many workshops/classes for

both guilds and has produced 2 quilts shows as the TQG Quilt Show Chair. Karan enjoys a challenge and is continually seeking to expand/share her quilting knowledge & skills.

Workshop B: Ann Lockler – annlockler@me.com

Curve and Swerve – machine class

This class will help you make smooth curves for each and every block. It's a challenging class because of the accuracy and time it takes to cut and sew the 48 blocks. The completed blocks will make either one of the pictured quilt tops.

Skill Level Required: Intermediate **Kit Fee:** None

Supply List:

(24) 10" squares of a variety of print fabrics, the more variety the better. (you need to have at least 8 varieties)

(24) 10" squares of a background color

Cutting mat (for 10" squares) and a rotary cutter with a new blade. (a 45mm rotary cutter works best) Sewing machine, scissors and thread.

A straight edge roller to cut 10".

An Oval All Ways Ruler by Creative Grids* - I will have 3 of the discounted "Oval All Ways" rulers, and if you are interested in one of them, then please contact me at AnnLockler@me.com

***This ruler can be purchased at A Different Touch quilt shop in Chesapeake (757)366-8830 for a 20% discount. If you order one and would like me to pick it up for you, then let me know and I will be happy to bring it to class for you.**

Ann has always sewn, and always had a machine. She followed the normal sewing journey from making clothes, to making curtains, baby things, and then quilts. She loves old machines as well as new ones, and has recently graduated to a Long Arm. She has worked at Cloth World, Joanne's Fabrics, Fabric Hut, and Sarah's Thimble. Her love of quilting really stems from her love of buying fabric. She tries not to buy things at full price, but says "sometimes you just have to."

Workshop C: Mary Witwer – paws4u@cox.net

Oriole Bag:

This free pattern is available in 2 different sizes, small or large. Our VCQ class will make the small size. You can make it in the material of your choice. The attached photo shows a size small and has plenty of room for my wallet, sunglasses, large comb, keys and room to spare. I used an old pair of blue jeans for the body, and cork for the flap. The rings are optional detachable carabiners. This bag uses front and back fabrics that creatively form a 3-dimensional bag using darts. It has an adjustable strap. **If you choose, you can quilt it to the foam interfacing. Do not quilt it to the lining fabric.** If you quilt it, please do so before class, and start with pieces at least 2 inches larger around than the pattern to account for shrinkage. Please call me if you have any questions.

Finished Size:

- small – 12” long x 8” tall x 2” deep

Skill Level Required: Beginner to Advanced

Supply List:

Mary Witwer moved to Virginia Beach in 1986 due to her husband's Navy transfer. She retired in 2017 from a career as an LCSW managing a crisis intervention program for the city's mental health services. Having been exposed to her mother's sewing talents, Mary was primarily a garment sewer until the mid-1990's when she caught the quilting bug. Quilting is still her primary passion. She began serious bag-making around 2020, and experimented with several designers' patterns. Mary is a member of VCQ the current president of Tidewater Quilters' Guild.
